

LCN 6400 Series COMPACT™ Automatic Operator

Retail

Automatic openings at an affordable price. The LCN COMPACT combines a small-but-mighty electric motor with a mechanical door closer to deliver **SUPERIOR ACCESSIBILITY AND INCLUSIVITY**.

Not only does the COMPACT elevate your user experience, but it also has the **FIRST-OF-ITS-KIND ABILITY** to attach directly to the LCN 4040XP mechanical closer, making it an **EASY AND COST-EFFECTIVE ADD-ON**.

For renovations, new construction, or single door upgrades, the LCN COMPACT is your **LOW-COST, HIGH-REWARD OPTION** for any retail environment.

SIMPLE

Module connects to mechanical closer with a mounting plate and just 4 screws

COST EFFECTIVE

Modular design enables reuse of existing closer and reduces install time

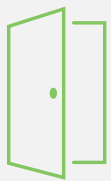

TRUSTED PERFORMANCE

Leverages industry leading LCN 4040XP mechanical closer

Application

LOW / MEDIUM TRAFFIC

SINGLE DOORS

4040XP RETROFIT COMPATIBILITY

Don't Be "Just Compliant"

1

MEET THE REAL NEEDS OF THOSE WITH DISABILITIES

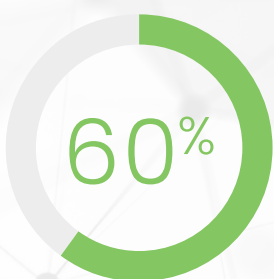

- 1/3 feel "apprehensive" about shopping in-store
- 71% have changed where they shop due to a negative experience

2

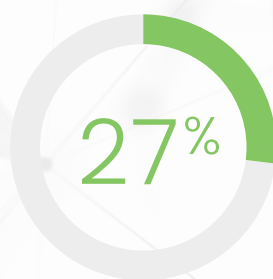

ACCESSIBILITY BENEFITS EVERYONE

- 30 Million are over 70 years old
- 10 Million have children under 5

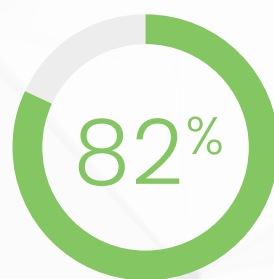

Bathrooms Matter

spend more at a business with a clean restroom

open bathrooms with their hips

want touchless features in bathrooms

Opportunity Openings

Bathrooms

Storerooms

Private employee spaces
